Supplemental Type Certificate

(Continuation Sheet)

Number ST03621AT

Date of Issuance: September 26, 2008

Limitations and Conditions (Continued):

3. Instructions of Continued Airworthiness, Quiet Technology Aerospace "Inspection Requirements and Structural Repair Manual for the GII, GIIB & GIII Stage 3 Hush Kit Part Number G23-HK-QTA3" Report Number QTA-4510, Revision A dated 11/2/2007 is a required part of this STC.

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
